LIST OF ATTORNEYS, updated July 31, 2019

Disclaimer:

The U.S. Consulate General Amsterdam assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Consulate General in Amsterdam. Names are listed randomly, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers; the Consulate General is not in a position to vouch for such information. You may obtain additional information about the individuals on the list by contacting [the Dutch Bar Association \(Nederlandse Orde van Advocaten\)](#), which has a comprehensive listing of all its members on its website (search for instance by city to get all listed attorneys in that city). Fees and the legal services to be provided are a matter for agreement solely between the individual and his attorney.

At the end of the List of Attorneys is a partial listing of notary offices in the three major cities in the Netherlands. These offices were selected at random and are being provided under the same disclaimer as that of the List of Attorneys. A complete list of all the notaries in the Netherlands can be found at <http://www.knb.nl/contact>.

Notaries:

Notaries in the Netherlands, unlike attorneys or legal advisors, do not represent or act in the interest of any one party, but are legally bound to act impartially. They are appointed by the monarch for life and governed by the statutes of [Koninklijke Notariële Beroepsorganisatie](#). Their functions include, but are not limited to, probating estates, preparing wills, articles of incorporation, agreements between individuals, and transferring title in real property transactions. Notaries are required to establish the veracity of information presented to them and their functions have the force of law.
